Verde Solaire Private Limited (formerly Sirius Electric) an ISO 9001:2015 Engineering and Construction company using clean technologies is among the leading solar power companies based in NCR New Delhi that is committed to providing its customers highest quality and customized solar power plant solutions. We have solar power plant installations in residential, commercial as well as government organizations.

Our goal is to customize the solar energy system in an efficient and attractive way for our customers. Our company has done more than 50+ MW of solar projects while our team has combined experience of more than 2000 MW of solar projects. Verde Solaire has a team of experienced solar professionals and energy industry specialists consisting of Engineers, MBA's, and experts in solar plant design, procurement, site survey, installation and commissioning. Verde Solaire (VSPL) is registered with many government organizations like IOCL, UHBVN, DHBVN, CEL, IPGCL, BRPL, CREST and many more for providing solar power plant installations. Verde Solaire also provides hassle free subsidy for eligible customers of New Delhi, Haryana, MP and UP. We have also helped many customers of other states in getting subsidy from the concerned department.
