The areas on which we offer our expertise in HR Consulting, include:

Understanding the specific requirements of our clients and providing them with prospective candidates to suit the job profile. The process we follow starts with collecting resumes suited to the job profile, shortlist them and forward them to our clients. Our process of screening, Verification of background and making the correct assessment is done through our Developed Pre Screening Checking processes so that we are able to provide pre-screened candidates to speed up hiring needs. We also have an Applicant Tracking System.
