We are one of the leading wedding photography and film making company based in the heart of Lucknow i.e. Hazratganj, at Janpath Complex, Ashok Marg, established since "97".

It all started in the summer of "97" when a 22 years young slender boy from the narrow lanes of old Lucknow decided to pursue his passion against all odds and make it his livelihood. Since then Vijay Studio has come a long way, the innovative team of father and son still scaling new heights, with a perfect blend of youth and experiences.
