Digital marketing is a new concept that has changed the entire marketing system. It refers to advertising delivered through digital channels such as search engines, websites, social media, email, and mobile apps. In today's era Consumers heavily rely on digital means to research products. Hence Leeway softech provides u the best experience of digital marketing. And one of the best solutions for digital marketing is **Search engine optimization** also known as **SEO**.

SEO services increase the traffic of your website with the process of optimizing the content, technical setup to reach your website, so that your pages appear at the top of a search engine as a result for a specific set of keyword terms. **SEO** offers a higher conversion rate than PPC Ads, by using keywords and phrases to massively increase visibility and begin a lasting customer relationship. Seo includes On-Page SEO, OFF-Page SEO, Local SEO Analysis, Competitor Analysis etc. Hence SEO strategies provided by Leeway Softech will hugely be influential in digital marketing campaigns since visibility is the first step to a lasting customer relationship.
