Maniarr's is one of the leading manufacturers and exporters of high-quality snack foods such as Khakhra, Bhakhri, Papad and Khari at the most competitive prices. It was established in 2002 by Sanjay Maniar on the outskirts of Rajkot, Gujarat, India, with the sole objective of providing the utmost quality snacks at the best prices in the market. Today, The company supplies its products all over India and outside India in many foreign countries. We are considered the most prominent and largest manufacturer of khakhra and other snacks.
