## indiafinder

**Timex Mica** is one of the leading <u>laminate manufacturers in India</u> with a wide range of decorative laminates. The company offers laminates made in three categories, namely <u>Timex Mica</u>, <u>Bombay High</u>, and <u>Urban Laminates</u>. Each of these product collections is crafted with innovative design and quality materials. Made with state-of-the-art technique, the laminates are available in an exotic range of colours, designs, textures, and finish. Exhibiting super strength and highly resistant to scratch and abrasion, Timex Mica is an ideal choice for kitchen cabinets, providing you with surfaces that remain stylish and durable for many years.
