Tega Industries Products are extensively used in Mineral Beneficiation industries. We offer a comprehensive solution to marquee global clients in mineral beneficiation. We have a wide range of products with a portfolio of specialized abrasion and wear-resistant products. Tega industries products are known internationally for wear-resistant rubber, polyurethane, steel, and ceramic-based lining. We offer over 55 mineral processing and material handling products that are widely used in mines and the mineral processing industry. Our products include chute and its liners, grinding mill liners, trommels and screen, hydrocyclones, and conveyor belts.
